

BEILEN COLLECTION

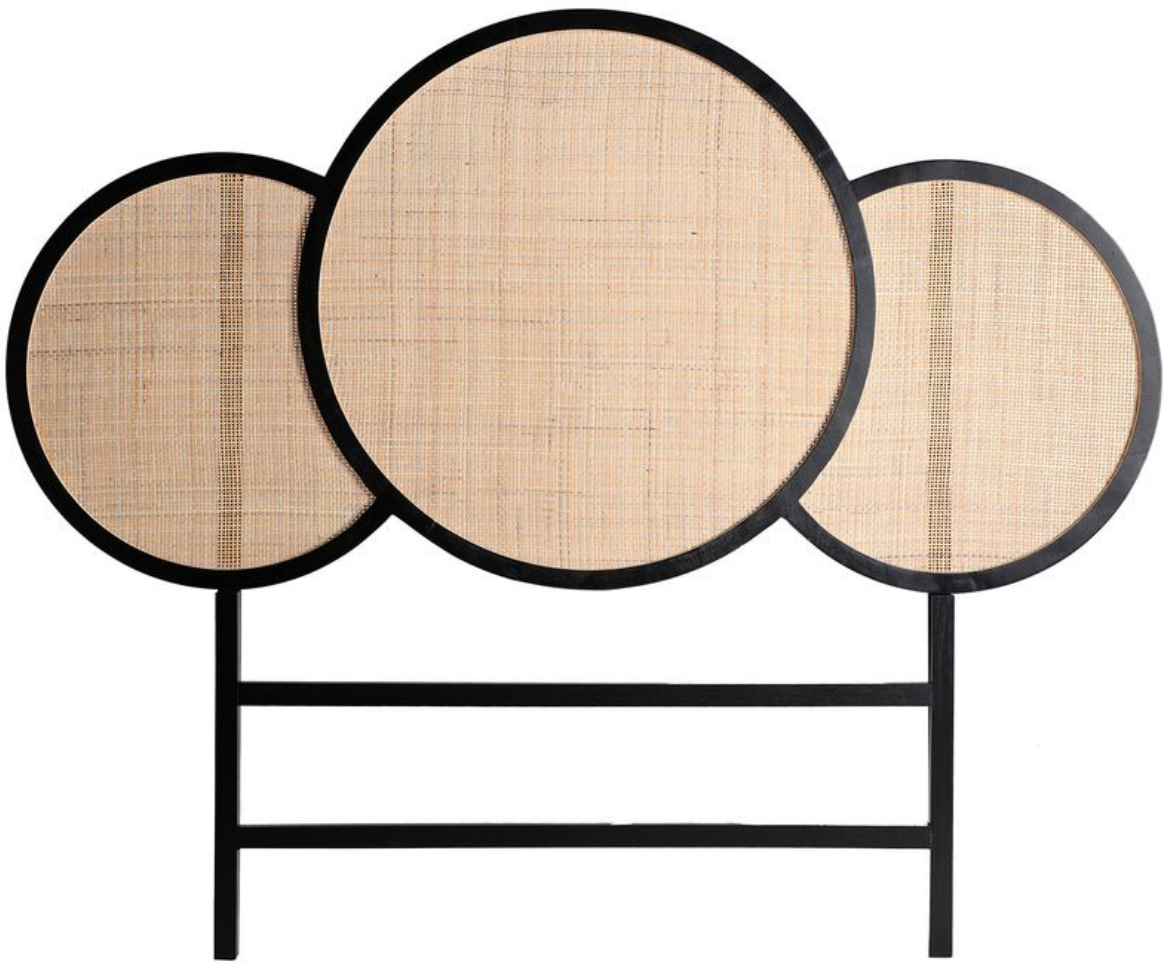

BEILEN CONSOLE TABLE
REF. 29805

Noble materials and natural woods feature at Lastdeco in a series of pieces that convey us to the purest and most sustainable setting; bringing nature closer to home. The Beilen collection's sideboard conveys the warmth we are talking about with its black pine wood structure combined with a rattan latticework. With a Nordic style, it's a perfect piece to decorate your bedroom.

Measurements: 101x31x85 cm.

The Beilen Cabinet, with its black and natural combination and design inspired by Nordic minimalism, is both functional and aesthetic. Made of pine wood and reinforced with iron, this detachable cabinet is perfect for adding a touch of Scandinavian elegance to your living room. Ideal as a bar cabinet, auxiliary storage, or for general storage. It combines the robustness of iron with the warmth of wood, offering a sophisticated and versatile storage solution.
